

Farmington's New Theme Park

Thrill World is more than roller coasters. It is more than thrill rides. It is more than the breathtaking scenery that can be viewed from the now biggest Ferris wheel in Michigan. Thrill World is where memories, moments, and connections are made. If you are looking for things to do near Detroit, Thrill World is the must-do destination. As Oakland County Executive David Coulter put it, Thrill World is "A place like no other for children and adults to enjoy!"

Rides and Experiences

Thrill World boasts a variety of rides including, thrill rides, family rides, kids rides, and water rides. It is home to **65 amazing rides**, from the family-friendly Crocodile River Expedition to the adrenaline-pumping roller coasters like Red Monster and The Dread. Live shows, immersive dining and signature summer events add diverse layers to the experience. The amusement park has a little bit of something for every thrill-seeker. And summer splashes are right next door at the Thrill World Waterpark with its multiple water gadgets, pools for the children and slides for the whole family.

A day at Thrill World can work up quite an appetite. Thrill World offers a wide variety of delicious food to eat in relaxing, enjoyable environments. Whether you are looking for a snack or a full meal, this amusement park has exactly what you need to keep you fuelled up for the rest of the day.
